

Since 2018, smartvillage has been offering not only exceptional event spaces at four locations, but also a completely worry-free experience that makes your planned event a success.

Quality that works – and pays off.

At smartvillage, your budget focuses on what matters: Experience, impact and guest satisfaction. Thanks to efficient processes, full-service support, and inspiring locations, you get more impact per euro invested – measurable in positive feedback, lasting memories, and smooth execution.

More satisfaction. More output. More event impact.

1. Focus on the essentials instead of organizational stress

At smartvillage you **have more** time for what really matters: **satisfied guests** and a **successful event** - we take care of the rest:

- Very good accessibility during the consultation process:
 - 1 hour until we answer & 1 minute until you get help on site
 - 100% deliver what we promise
- Long-standing service partners & internal coordination processes
- No additional effort with setup, technical arrangements and catering coordination

2. Locations with wow-factor

Our locations inspire, encourage exchange and leave an impression:

- centrally located locations with a creative design concept
- Fully furnished premises with no hidden logistics costs
- Supra-regional quality standards thanks to long-standing service partners
- spacious and free-to-use community areas and room-in-room solutions for focusing

→ For **fresh energy, higher attention** and **better results** at your event

3. Brand strength and visibility

Benefit from the growing popularity of smartvillage:

- diverse and constantly growing community and social media presence of smartvillage GmbH
- Higher visibility, participation rates and demand in terms of ticket sales

→ **Increase** your **visibility** within your own **industry** or among your **partners** and **service providers**

4. Clear calculability & transparent costs

At smartvillage, it is clear from the outset what you can expect – including financially:

- Complete packages with a fair price-performance ratio for fully furnished rooms (no additional costs for equipment & logistics)
- A wide selection of seasonal/regional dishes as well as customized catering and service packages - we know that an event is only as good as its cuisine

→ **Benefit** from our **transparent pricing** policy and **service packages** for **every occasion** and **budget**
